Thanks for your interest in Berg Event Space.  
Here is some information for you:

We are rated for 250 Max for the interior.

We can accommodate up to 250ish, per the recent trends, with a mixed standing/seating reception or more of a cocktail/hor'dourves party. If you are trying to seat everyone at tables ("Hotel/Country Club Look") we can seat approx. 185-ish. We don't recommend seating too many people around tons of tables. It is not always conducive to a loft space such as this.

**Rental Rates:**

\$3000 on Saturdays

\$2500 on Sundays – Fridays

\$500 damage deposit. Refundable the week after the event barring any incurred damage to the Space.

\$1000 deposit is required to reserve your event on our calendar. This deposit goes towards your final bill.

\*Rental rate includes six hours for your event, + four hours prior for set up.

Last Call for Alcohol at Midnight. Any additional hours needed for event or set-up is \$250 a/hour.

**Security:**

We do require Security for the entire length of your event at an *additional charge* to you of \$50 a/hour.

We recommend that you have security for half an hour prior to your event and half an hour after your event.

**Catering:**

We have a preferred catering list, which can be emailed to you upon your request. A \$250 "kitchen fee" will be added if you choose a caterer not on our list. All caterers must be licensed and insured. One catering server per 50 people is required at all times for general clean up. We set-up tables/chairs and move furniture. We ask no one else moves furniture and fixtures in the space. We do NOT handle linens, china, disposals, etc. We leave that up to your caterer.

At this point, we recommend that you secure your Own Certificate of Insurance.

**Courtyard:**

There is a treed courtyard. It is up to each individual how it fits into their plans. Some have been married there.

Some people have added, at their own cost, a white tent, canopy, curtain/shears, etc. There is also the opportunity to add a tent into the parking lot we have to the East. The courtyard is strung with lights at all times.
